#### Important Details

Transportation to the Course: **IMPORTANT!!!!** We have 144 golfers playing at our tournament this year. We will have 2 dedicated buses starting at 7am leaving about every 15 minutes. It takes 30 minutes for a bus to drive to Pebble and get back to Spanish Bay. Each bus holds 24 people, so if half of the field wants to get on the 8:30 am bus, everyone will not make it by 9am. If you have your car on property, please drive yourself and as many people as you can over to Pebble Beach.

**Breakfast:** Small breakfast and coffee available prior to Tee-off.

**Lunch:** Lunch will be brought out to the golfers during the round.

**Tournament Format:** The tournament will be a Best Ball format. Each player will play their own ball the entire hole and the foursome will use the 2 best scores on all holes and the best 3 scores on Par 5's. Men will play from the White tees and Women will play from the Red tees.

\*Pace of play is vitally important to completing our round. There will be a Double-Bogey Max score. So if you are lying 5 and not holed out, please pick up your ball and take a 6. Marshalls will be on the course to help expedite play.

**Rental Clubs:** If you need rental clubs, please contact the Pro Shop directly to arrange. The rentals are \$100 + tax and will be at the golfer's expense. Call (831) 622-8723 to reserve.
